Paul G. Rogers, United States Representative from the 9th Congressional District of Florida will be honored at a dinner to be held at the Clewiston Inn, Clewiston, Florida, Tuesday, December 20, at 7:00 o'clock p.m.

According to the Florida Sugar Cane League which is sponsoring the "Dutch Treat" affair, Congressman Rogers was helpful in obtaining sugar legislation in 1965 which was beneficial to the Florida sugar industry. In addition, he has worked for the sugar industry, as well as for the other agricultural interests of the Glades Area and Florida as a whole, in trying to insure that adequate labor is made available for the production and harvesting of crops.

"We want to express our appreciation to Congressman Rogers for his past efforts in our behalf," explained Harry T. Vaughn, Sr., President of the Florida Sugar Cane League.

Prior to the redistricting in 1965, Rogers who is a native of West Palm Beach, represented the 6th district. The new 9th district, which he now represents, is composed of Charlotte, Collier, Glades, Hendry, Indian River, Lee, Martin, Okeechobee, Palm Beach, and St. Lucie counties. Agriculture is a vital part of the economy of all these counties and in many is the predominant business. Sugar cane is grown in Palm Beach, Glades, and Hendry counties and this industry is the leading enterprise in all three counties. The value of the 1965-66 sugar cane crop was estimated at almost \$90,000,000. In the last 5 years the sugar cane industry in Florida has grown by more than 350 percent and in the last two years has produced more sugar than Louisiana. More than 13,000 people are employed during the peak season by the 9 factories and 180 sugar cane farms.

Arrangements for the Dinner are being made by a committee of the League composed of Bill Lanier, U. S. Sugar Corporation, Clewiston, Florida, Bob Lee, Sugar Cane Growers Cooperative of Florida, Belle Glade, Florida, and Nelson Fairbanks, Florida Sugar Cane League. A limited number of tickets are available to the general public and may be purchased at the offices of either of the above persons.

Baptists Go Forward On New College

A special session of the Florida Baptist Convention—the first in 14 years—has been called to approve a charter and articles of incorporation for the new Baptist College to be built in Palm Beach Gardens.

The President of the State Convention, Dr. Edgar Cooper of Orlando, was ordered to set the time and place for the Convention after the new Board of Trustees completes the task of drafting the charter and articles of incorporation.

The new board of trustees met for the first time in Jacksonville, December 8th, and elected Dr. Jess Moody of West Palm Beach as chairman of the board. They also elected Dr. Edgar Cooper of Orlando as vice chairman and

Dr. J. Larry Mayo of Warrington, Florida, as secretary.

The board appointed Richard M. Gruenwald as public relations director for the new college. Mr. Gruenwald has been serving as Executive Secretary of the Baptist College Committee in their campaign to raise \$1,500,000 in Palm Beach County.

The trustees discussed plans to conduct a state-wide campaign for \$1,000,000 for the college which will be held outside of Palm Beach County.

The new college has been in the planning stages for several years and Dr. Cooper made the first motion in 1962 that the state convention launch the college.

Two hundred acres of land for the campus were donated by John D. MacArthur, president of Bankers Life and Casualty Co.

The land is next to the Palm Beach Gardens interchange of the Sunshine State Parkway and across the road from the national home of the PGA, site of this week's PGA national team championship.

Witnesses Will Meet In Lake Worth

In conclusion to the weekly meeting last night at the Belle Glade congregation of Jehovah's Witnesses, Jean Rainbow announced the tentative arrangements of their three-day circuit assembly to be held in Lake Worth.

Rainbow explained, "These assemblies are not just social get-togethers, but are expertly designed training programs to give Christian ministers and their families sound, practical counsel from the Bible. Jehovah's Witnesses are desirous of proclaiming the Bible's everlasting good news to everyone. To do this they cannot just talk; they must teach! These three-day meetings assist in making them expert teachers of God's Word."

The theme of the seminar will be "Become Spiritual Men with Everlasting Life in View". Approximately 1,600 delegates from Lake Worth to Vero Beach to Fort

Myers will converge upon Lake Worth December 30 - January 1. The main feature of the convention will be Sunday, 3:00 p.m. a public discourse, "Satisfying Mankind's Greatest Need". All interested persons are welcome.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

Star-spangled present with a future

Here's a Christmas present the youngsters on your shopping list can't lose, break, wear out, or get tired of.

It's a U.S. Savings Bond—the gift that grows while *they* grow. Practical. And appreciated, even by younger children. Makes a child feel important to be entrusted with such an adult-looking document. As the years pass, the money helps pay for important things like college, marriage, and emergencies. And

until they do cash it in, the Bond itself is always there to remind them of your gift.

In the meantime, Uncle Sam will be using the money to help make their future secure in other ways. (Which is especially important *now* when so many of our fighting men are committed in Vietnam.)

Give Bonds this Christmas. Buy them where you do your banking and avoid the shopping crowds. Prices start at \$18.75 for a \$25 Bond.
